

Seward

None of this- makes any sense.
She chose, to leave me? To go to this- other man?

What do you mean, "Prepare the corpse?"
STOP!

Before I- I am forced to- lay hands on you!
Van Helsing- you will have nothing to do with her body! And you- (to
Mina) will stop spreading disgusting, salacious slander about her!

She will be laid to rest, in peace; as she lived- an angel, beyond any
reproach!

You are upset- and this woman has taken advantage of your pain and
Shock and your condition to- to influence you. But I will not hear one
More word about- supernatural creatures, or moonlit seductions or
Whatever other madness this huckster has convinced you is true!
