Dance concert auditions

Wednesday, August 29; 7:00-9:00 pm
CATO 333

Audition Process
The studio will open by 5:30pm, and dancers should arrive in time to complete the audition forms and warm-up on their own prior to 6:00 pm. The audition will consist of various phrases taught by the choreographers and performed in small groups—dancers do not have to prepare any audition material. If proficient in pointe, please bring shoes. Dress appropriately and look your best. Please bring your fall school and work schedules. Students may choose whether they wish to be considered for 1-3 pieces.

Other Info
Students chosen to perform in the concert will be eligible to receive one practicum credit (THTR 202). Dancers must be available for showing dates (10/2 and 11/7) and tech rehearsals in the theatre Nov. 11-15. Excuse letters are provided for those missing academic classes, but students are expected to arrange their employment responsibilities accordingly, and must be able to attend all technical rehearsals and performances.
